ODP-83-1236

30 AUG 1983

MEMORANDUM FOR: Director of SIGINT Operations

FROM: [redacted] Donnalley
Director of Data Processing

SUBJECT: Procurement of IBM Personal Computer

1. The attached OSO procurement request (Form 88, DCN # 6062-83196-775) was forwarded to this Office by the Office of Logistics for concurrence as per Headquarters Regulation [redacted] ADP Management and Administration. The request is for an IBM Personal Computer (PC) XT and associated peripherals. My staff has ascertained, from discussions with [redacted] Chief, Systems Procurement Division, that the PC will be evaluated for use as a "smart" terminal.

2. Based on this information, the Office of Data Processing (ODP) concurs with your procurement request under the ADP management criteria of [redacted]. Please note that this Office has not evaluated the procurement or security aspects of this request.

3. Our concurrence further assumes that no ODP support will be required. Should your staff desire to interconnect the PC with the ODP network or an ODP system, this Office requests that they coordinate their requirement with [redacted] Chief, Teleprocessing Branch, Engineering Division, ODP, [redacted] secure) prior to taking action.

4. If your staff should have any specific questions on this action, they may direct them to [redacted] Chief, Management Staff, ODP, on [redacted] secure. If I can be of any further assistance, please let me know.
